**Subject:** Requesting a call to discuss UCC Institute

Luis,

I was wondering if you and Bill Wentworth would have time for a call tomorrow after 10AM or sometime Friday to discuss the UCC Institute RCRA CA project. There is a situation that has come up related to the off-site groundwater plume that crosses the West Virginia State University property.

I would have our project manager Tracy Jeffries and Jake McDougal on the call with me.

Please let me know.

Thanks,

Patty
